

Communique to all BTech graduates 2024-2025

Rwanda Polytechnic (RP) is pleased to announce the commencement of comprehensive research from 30th March to 30th April aimed at assessing the labor market performance and professional integration of our Bachelor of Technology (BTech) graduates.

As an institution committed to excellence in technical education, we recognize that your success in the industry is the ultimate measure of our academic quality. This research seeks to understand your current employment status, the relevance of your skills to your current roles, and the challenges or opportunities you have encountered since graduation.

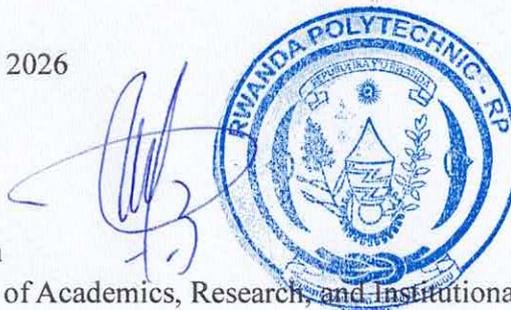

During this period, you may be contacted via your phone to participate in a brief interview. We highly encourage you to provide accurate and honest feedback, as your input is vital for the growth of our BTech programs.

Note: All data collected will be treated with the strictest confidentiality and used solely for academic and institutional development purposes.

For more information or inquiries, don't hesitate to get in touch with 0783830127 or 0788790748.

We thank you for your continued cooperation and take great pride in your contributions to the nation's workforce.
