RP TO GRADUATE OVER 2800 AT 6th GRADUATION

KIGALI, MAY 27, 2023 –

Rwanda Polytechnic (RP) will hold its sixth Graduation ceremony at BK Arena on May 31, 2023, with 2885 graduating students from all RP Colleges.

The Graduation Ceremony will be attended by the graduands and their families as well as other invited guests including high ranking government officials.

RP has eight constituent colleges designated as "Integrated Polytechnic Regional Colleges" (IPRCs) which are: IPRC Gishari, IPRC Huye, IPRC Karongi, IPRC Kigali, IPRC Kitabi, IPRC Musanze, IPRC Ngoma, and IPRC Tumba.

The graduands from those IPRCs will be awarded Diploma & Advanced Diploma certificates in different fields namely Civil Engineering, Agricultural Engineering, Electrical and Electronics Engineering, Hospitality, Information and Communication Technology, Mechanical Engineering, Mining Engineering, Wildlife Management, Tourism, Forest Resources Management, Irrigation and Water Engineering, Forestry and Veterinary Technology.

The Vice Chancellor of Rwanda Polytechnic Dr. Sylvie Mucyo extends her warmest congratulations to the 2023 graduands of Rwanda Polytechnic.

“We are here to celebrate you, to acknowledge the great work you have done, to honor you with warm congratulations because you have satisfied all the requirements for the awards you receive today after many years of dedication and hard work. Today should give you the confidence to forge ahead into the next steps in your life with the good wishes of Rwanda Polytechnic.”

By this 6th graduation, RP will enjoy an outstanding achievement of producing 12,184 graduates since its establishment in 2017. Rwanda Polytechnic held its maiden graduation ceremony on 28th June 2018 with 1,882 graduates.

Rwanda Polytechnic is a public higher learning institution that has a vision of offering high quality training that complies with applicable standards of technical education. RP aims at enabling its beneficiaries to acquire relevant skills for job creation as well as for successfully entering and competing in the labour market.
